Hello Neighbor!

Last year, we were honored to have the opportunity to continue the tradition of a family-owned hardware store in the center of West Hartford when we purchased Pfau's Hardware from the Hunter family.

We have learned a lot in this past year and we have made some changes to the store that we hope will allow us to better serve you in the coming days, months, and years.

If you have visited us this past year, we thank you for your business and hope you appreciate the changes and improvements. If you have not visited us, we invite you to do so and check out our new offerings and legendary helpful service. We have increased our hours to Monday through Saturday 8 am to 6 pm, and Sunday 8 am to 4 pm to better serve your needs.

As the seasons change and we enter fall, we hope you can use these lawn and leaf bags as our gift to you and help you get started on your fall leaf-pickup project.

Again, thank you. It is an honor to serve you.

Sincerely,

The Larsen Ace Family
