

EVERY CHILD DESERVES A CHANCE TO PLAY

MIRACLE LEAGUE BASEBALL

Miracle League baseball is designed for boys & girls ages 4-21 who have special needs or developmental delays of any kind. We play our games on Sunday afternoons at the Miracle League field in West Hartford. The field is fully accessible to all children including those who use wheelchairs or adaptive mobility devices. The surface is rubberized and there are no raised obstacles on the field. We welcome players from any part of the state or beyond. Players are assigned to teams in one of our two age divisions, 4-10 years old and 11 - 21 years old. Our games are non-competitive and we focus only on the sense of accomplishment of each player. Volunteer "Buddies" are assigned to assist each player on the field to assist them as much or as little as needed.

The goal of the Miracle League of CT is to remove all barriers that prevent children with special needs from participating in recreational, educational and cultural activities. If one of those barriers is a financial one, please email us at miracleleaguect@comcast.net to request a fee waiver for any of our programs. We will do our best to accommodate your request which will be kept strictly confidential.

The Miracle League of CT provides opportunities for Connecticut's children with physical and cognitive challenges to participate in recreational, educational and cultural activities in an accessible, nurturing and noncompetitive environment where families can come together to cultivate new friendships and experience the joy of play.
