Please join us at 6:30 p.m. to participate in a planning forum that will focus on the University of Connecticut's West Hartford Campus. A wide variety of topics will be discussed including the Town's role in the property to date, a review of the existing conditions and redevelopment impact assessments. Most importantly, we want to hear your thoughts on the UConn West Hartford Campus of today and the Campus of tomorrow as we prepare a Community Vision for the site. We hope you can attend and provide your input. Please take our short survey; details below!
