

## Connecticut Halloween Guidance

The Town of West Hartford is following Halloween guidelines as outlined by the State of Connecticut Department of Public Health and CDC. There are no additional restrictions.

---

The ongoing COVID-19 pandemic requires all of us to take steps to keep ourselves, our families, and our communities safe and healthy: wear our masks, wash our hands frequently, and maintain social distancing. As a result, we will need to celebrate many fall traditions differently this year, including Halloween.

Traditional Halloween activities carry a high risk for spreading COVID-19, but we can reduce that risk significantly by organizing and participating in fun, lower or moderate risk alternatives.

The holiday may look different this year, but the Connecticut Department of Public Health (CT DPH) believes we can still enjoy a happy (and healthy) Halloween. The CT DPH recommends that everyone planning to participate in Halloween activities this year review the **guidance** recently issued by the Centers for Disease Control and Prevention (CDC). That guidance describes “lower” “moderate” and “higher” risk activities.

DPH recommends that Connecticut residents avoid higher risk Halloween traditions and focus celebrations on the lower and moderate risk activities. The ability to maintain social distancing and follow face covering rules is especially important when participating in Halloween activities. In addition, please refrain from leaving your home for any Halloween activity and do not pass out Halloween candy if you are ill or have traveled to one of the states listed on the **Connecticut travel advisory** between October 16<sup>th</sup> and October 30<sup>th</sup> (i.e. 14 days before Halloween).

In this case you should be following the testing and self-quarantining guidelines, per **Executive Order No. 9C**. CDC guidance and safety tips are summarized below, along with additional considerations for restaurants and colleges and Universities.

## Connecticut Halloween Guidance

PARTIES AND EVENTS	
Events to consider	<ul style="list-style-type: none"> <li>In lieu of in-person house parties, host virtual Halloween events, e.g. virtual costume contests.</li> </ul>
	<ul style="list-style-type: none"> <li>Host drive-by Halloween events, e.g. neighborhood or town-based house decorating.</li> </ul>
	<ul style="list-style-type: none"> <li>Prepare candy scavenger hunts at homes with your household members.</li> </ul>
	<ul style="list-style-type: none"> <li>Have a Halloween movie night with the people in your household.</li> </ul>
Events to avoid	<ul style="list-style-type: none"> <li>Large parties that exceed 25 people indoors or 150 people outdoors               <ul style="list-style-type: none"> <li>Hosting an indoor party that exceeds 25 people indoors or 150 people outdoors can result in a fine of \$500</li> <li>Attending a party that exceed attendance rules can result in a fine of \$250</li> </ul> </li> </ul>
	<ul style="list-style-type: none"> <li>Large Halloween-themed parades where physical distancing cannot be maintained.</li> </ul>
	<ul style="list-style-type: none"> <li>Indoor haunted houses where people may be crowded together and screaming</li> <li>Hayrides or tractor rides with people who are not in your household</li> <li>Traditional trick-or-treating where treats are handed to children who go door to door (See Trick or Treating tips below)</li> </ul>
	<ul style="list-style-type: none"> <li>Trunk-or-treat events where cars gather in a large parking lot and allow children to move from car to car to collect candy.</li> </ul>
Other guidance	<ul style="list-style-type: none"> <li><b>Restaurants</b> that choose to host Halloween-themed events should strictly adhere to capacity and physical distancing guidance as outlined in <a href="#">Sector Rules</a>.</li> </ul>
	<ul style="list-style-type: none"> <li><b>Colleges and universities</b> should consider alternatives to on-campus costume parties or trick-or-treating between dorms, as these activities will be challenging to maintain physical distancing. Guidance for safe Halloween activities should be shared widely with on- and off-campus students.</li> </ul>

## Connecticut Halloween Guidance

TRICK-OR-TREATING	
<b>Recommendations for Halloween 2020</b>	<ul style="list-style-type: none"> <li>Traditional trick-or-treating is a high risk activity. Instead, the CDC and CT DPH recommends participating in one-way trick-or-treating where goodie bags or a large bowl of candy are placed outside of your home for families to grab and go while continuing to social distance.</li> <li>If you are preparing goodie bags, wash your hands with soap and water for at least 20 second before and after preparing the bags.</li> </ul>
	<ul style="list-style-type: none"> <li>For people who choose to hand out candy: <ul style="list-style-type: none"> <li>Before you answer the door, make sure your face covering is in place over your nose and mouth, wash or sanitize your hands before answering door.</li> <li>Remain six feet from the Trick-or-Treater.</li> <li>Place the candy inside the child's bag for them instead of having them take it from the bowl themselves.</li> </ul> </li> </ul>
	<ul style="list-style-type: none"> <li>Homes providing candy may set up hand sanitizer stations outside or parents/guardians can pack a travel bottle of their own.</li> </ul>
	<ul style="list-style-type: none"> <li>Parents/guardians should limit the number of homes their children visit.</li> </ul>
	<ul style="list-style-type: none"> <li>It is not recommended to trick-or-treat with people outside of your household.</li> </ul>
	<ul style="list-style-type: none"> <li>Remain six feet away from people outside your household at all times.</li> </ul>
	<ul style="list-style-type: none"> <li>All trick-or-treating participants should wear a mask or face covering while outside at all times. <ul style="list-style-type: none"> <li>A costume mask (such as for Halloween) is not a substitute for a cloth or surgical mask. A costume mask should not be used unless it is made of two or more layers of breathable fabric that covers the mouth and nose and does not leave gaps around the face.</li> <li>Do not wear a costume mask over a protective cloth or surgical mask because it can be dangerous if the costume mask makes it hard to breathe. Instead, consider using a Halloween-themed cloth mask.</li> <li>Do not wear a costume rubber mask over another face covering of any kind.</li> </ul> </li> </ul>

# Connecticut Halloween Guidance

## LOW RISK

These lower risk activities can be safe alternatives:

- Carving or decorating pumpkins with members of your household and displaying them
- Carving or decorating pumpkins outside, at a safe distance, with neighbors or friends
- Decorating your house, apartment, or living space
- Doing a Halloween scavenger hunt where children are given lists of Halloween-themed things to look for while they walk outdoors from house to house admiring Halloween decorations at a distance
- Having a virtual Halloween costume contest
- Having a Halloween movie night with people you live with
- Having a scavenger hunt-style trick-or-treat search with your household members in or around your home rather than going house to house

## MODERATE RISK

Moderate risk activities:

- Participating in one-way trick-or-treating where individually wrapped goodie bags are lined up for families to grab and go while continuing to social distance (such as at the end of a driveway or at the edge of a yard)
  - If you are preparing goodie bags, [wash your hands](#) with soap and water for at least 20 second before and after preparing the bags.
- Having a small group, outdoor, open-air costume parade where people are distanced more than 6 feet apart
- Attending a costume party held outdoors where protective masks are used and people can remain more than 6 feet apart
  - A costume mask (such as for Halloween) is not a substitute for a cloth mask. A costume mask should not be used unless it is made of two or more layers of breathable fabric that covers the mouth and nose and doesn't leave gaps around the face.
  - Do not wear a costume mask over a protective cloth mask because it can be dangerous if the costume mask makes it hard to breathe. Instead, consider using a Halloween-themed cloth mask.
- Going to an open-air, one-way, walk-through haunted forest where appropriate mask use is enforced, and people can remain more than 6 feet apart
  - If screaming will likely occur, greater distancing is advised. The greater the distance, the lower the risk of spreading a respiratory virus.
- Visiting pumpkin patches or orchards where people use hand sanitizer before touching pumpkins or picking apples, wearing masks is encouraged or enforced, and people are able to maintain social distancing
- Having an outdoor Halloween movie night with local family friends with people spaced at least 6 feet apart

## Connecticut Halloween Guidance

- If screaming will likely occur, greater distancing is advised. The greater the distance, the lower the risk of spreading a respiratory virus.
- Lower your risk by following CDC's recommendations on [hosting gatherings or cook-outs](#).

### HIGHER RISK

Avoid these higher risk activities to help prevent the spread of the virus that causes COVID-19:

- Participating in traditional trick-or-treating where treats are handed to children who go door to door
- Having trunk-or-treat where treats are handed out from trunks of cars lined up in large parking lots
- Attending crowded costume parties held indoors
- Going to an indoor haunted house where people may be crowded together and screaming
- Going on hayrides or tractor rides with people who are not in your household
- Using [alcohol or drugs](#), which can cloud judgement and increase risky behaviors
- Traveling to a [rural](#) fall festival that is not in your community if you live in an area with community spread of COVID-19
